

CyberLock, Inc. Terms and Conditions of Sale

NOTICE: Sale of any products or services is expressly conditioned on Buyer's assent to these Terms and Conditions of Sale. Acceptance of CyberLock's offer is expressly limited to acceptance of these Terms and Conditions of Sale. CyberLock expressly objects to any additional or different terms proposed by Buyer.

Terms of Acceptance. The terms and conditions set forth herein, together with any quotation, confirmation, or invoice attached hereto, contain the entire and exclusive agreement between CyberLock, Inc. ("CyberLock") and Buyer (the individual or entity receiving products or services hereunder) regarding Buyer's purchase of CyberLock products, services, or support, and supersede all prior discussions, representations, communications, negotiations, proposals, and agreements relating to this subject matter, except if Buyer is a Certified Reseller in the CyberLock Partner Program, in which case the Reseller Partner Agreement shall govern in the event of a conflict between a provision of the Partner Agreement and a provision of these Terms and Conditions of Sale with respect to the same subject matter. By submitting a purchase order, or by accepting products, services, or support, Buyer agrees to be bound by all terms and conditions herein. CyberLock shall not be bound by any additional or conflicting terms, whether or not material, in any acceptance, confirmation, purchase order, acknowledgement, or other document or communication from Buyer. These Terms and Conditions of Sale may not be altered or supplemented by any other document unless otherwise agreed in a written instrument signed by a duly authorized representative of CyberLock. Unless otherwise specified in the quotation, all CyberLock quotations shall expire 60 days from the date of the quote and may be modified or withdrawn at any time prior to receipt of Buyer's conforming acceptance.

Payment. Terms of payment are within CyberLock's sole discretion. Unless otherwise agreed to by CyberLock, all orders must be paid in full prior to CyberLock's shipment of products or commencement of work for services. CyberLock reserves the right to require payment of a non-refundable deposit at any time prior to shipment of products or commencement of work. Payment will be made by check or money order in U.S. dollars, Visa, Mastercard, Discover, and American Express credit cards (excluding debit cards), ACH electronic transfer, or bank wire. A 2% surcharge will be applied to all credit card transactions. If CyberLock has agreed to credit terms with Buyer, invoices for purchases charged against Buyer's credit terms must be paid in full within thirty (30) days from the date of invoice. All payments received will be applied to Buyer's oldest outstanding invoice(s). CyberLock shall have no liability for billing errors unless Buyer notifies CyberLock, in writing, of any such error within sixty (60) days from the date of the invoice containing the error. If CyberLock, in its sole judgment, determines that Buyer's financial condition or payment history does not justify continuation of CyberLock's performance, CyberLock may, at any time and without advance notice to Buyer, delay or postpone delivery to Buyer, and/or change the terms of payment including, but not limited to, revocation of previously agreed upon credit terms. All balances outstanding beyond thirty (30) days from the date of invoice will be subject to a service charge of 0.75% per month (9% per annum) or, if less, the highest rate allowable by applicable law. In the event of a payment default, Buyer agrees to pay all of CyberLock's costs of collection, including, but not limited to, court costs, filing fees, and reasonable attorneys' fees.

Taxes. CyberLock shall not be responsible for the payment of any taxes, fees, or other charges of any nature imposed on Buyer by any governmental authority on or relating to products or services provided hereunder, including, but not limited to, use tax, sales tax, inspection or testing fees, duty, custom, or excise tax.

Delivery. Delivery of all products shall be FCA, Corvallis, Oregon. Delivery of products to the carrier at Corvallis, Oregon shall constitute delivery to Buyer and Buyer shall bear all risk of loss or damage in transit. Buyer is responsible for notifying the carrier of any damage or loss incurred during transit. Any production, shipping, and delivery dates described herein, on a CyberLock quotation, or in other communications, are tentative only and do not constitute any guarantee of shipment or delivery on any particular date.

Cancellation. Buyer may terminate all or any part of an order prior to shipment only upon written notice to CyberLock. Where Buyer has terminated an order, Buyer shall pay to CyberLock a reasonable termination charge reflecting costs actually incurred by CyberLock prior to the effective date of termination. In the event CyberLock has prepared product for shipment prior to termination, Buyer will be assessed a restocking fee not to exceed 25% of the invoice price of such product.

Where this transaction involves the export of any item subject to the Export Administration Regulations, CyberLock will export such items in accordance with all applicable laws and regulations. Buyer agrees that it shall not use, export, re-export, or divert any items provided hereunder in a manner contrary to United States export laws and regulations. Buyer expressly acknowledges that the United States Government imposes economic sanctions and/or embargoes on certain countries. The list of sanctioned or embargoed countries may change periodically, but currently includes Cuba, Iran, North Korea, and Syria. Buyer agrees that it will not furnish any item provided hereunder to any person or entity in a country that is subject to economic sanctions or embargoes, or to nationals of such countries, without obtaining prior authorization from the United States Government. Buyer further agrees that it will not furnish any item provided hereunder to any person or entity subject to export restrictions including, but not limited to, persons or entities identified on the Denied Persons List,
